GENERAL SOIL TEST INFORMATION

Standard tests and lime requirement are determined on all samples and are included in the \$10 analysis fee.

Standard Fertility Test Package includes: pH, Mod.Mehlich Buffer pH (lime requirement), organic matter and Morgan equivalent extractable phosphorus, potassium, calcium, magnesium, aluminum, iron, zinc, and manganese.

Sample Submission Instructions: Place about 1 cup of your well-mixed soil sample into the sample box, close the box and label.

Fill out the submission form, fold & submit it with soil samples. Ship to Dairy One, 730 Warren Road, Ithaca NY 14850 by US Mail, UPS, Fed Ex, etc.

Go to the Agro-One tab at www.dairone.com for info about free overnight shipping & handling available in some locations. Results and nutrient guidelines are returned by US Mail, fax or email.

Additional forms can be downloaded from www.dairyone.com under the Agro-One tab. Order soil test kits, manure sample kits, forage sample kits and sample sheets at 1-800-344-1697 x 2142 or by email at supply@dairyone.com
