Dear PCDart prospect:

Thank you for your interest in PCDart herd management software.

**Please complete this questionnaire and return it to:
Dairy One, Dairy Management Resources, 730 Warren Road, Ithaca, NY 14850.
For faster service, you may fax the questionnaire to us at 607.257.6808.**

We have been fortunate to be able to work with hundreds of progressive dairies, and we have experience with several dairy herd management programs. We have found PCDart to be useful for those members who want good value and want to maintain a close relationship with their DHIA records processing center.

Once we receive your questionnaire, we will begin the process of getting you started with PCDart. Your installation packet will either be shipped via the United States Postal Service or we will contact you to set up an appointment to make a visit.

If you have any questions throughout the process, please contact us at dmr@dairyone.com or call 800.344.2697, ext 2171.

Thank you for choosing PCDart on-farm herd management software.

Sincerely,
Dairy Management Resources
Dairy One Cooperative, Inc.
